

## Soundproof Aluminium Alloy Frame Casement Windows Replacement

Our Product Introduction

for more products please visit us on [aluminiumwindowdoor.com](http://aluminiumwindowdoor.com)

### Basic Information

- Place of Origin: China
- Brand Name: Loyd
- Certification: CE
- Model Number: 125 serie Casement Window
- Minimum Order Quantity: 2
- Price: USD115/
- Packaging Details: EPE Foam wrapped
- Delivery Time: 25-30days
- Payment Terms: L/C, T/T, Western Union, PayPal
- Supply Ability: 10000

### Product Specification

- Size: Customizable
- Profile Color: Grey
- Glass: 5+27A+5mm Double Clear Tempered Glass
- Material: 3.4mm Thick Aluminium
- Design: According To Confirmed Drawing
- Accessory: Fly Net / Fly Curtain / High Downtrack (For Water-proof)
- Package: EPE Foam Wrapped
- Installation Method: Full Frame Replacement
- Highlight: Soundproof Casement Windows Replacement

## Product Description

### New Soundproof Aluminium Alloy Frame Casement Windows Replacement

#### WHAT ARE CASEMENT WINDOWS?

Casement windows are a type of window that is hinged on one side and opens outward, typically using a crank or handle. This easy operation makes casement windows a top choice for spaces like kitchens or bathrooms, where cabinets or large bathtubs may block access to upper portions of a window. Casement windows typically give off a modern aesthetic, but you can add window grids or divided lite bars for a more traditional feel. Thanks to their single sash design, these windows can offer a wide uninterrupted view, top-notch ventilation, and painless cleaning. Casement windows are popular in both residential and commercial buildings for their functionality and aesthetic appeal. In case of emergency, the sash can open 90-degrees out to serve as a secondary exit for residents.

#### Features:

1. Design: They are often tall and narrow, providing a clear view and maximizing ventilation.
2. Versatile Opening: They can be opened fully to allow maximum ventilation, making them ideal for fresh air circulation.
3. Operation: Casement windows open outward like a door, allowing for better airflow compared to sliding windows.
4. Variety of Styles: Available in various styles, they can match different architectural aesthetics.
5. Security Features: Many casement windows come with multi-point locking systems, enhancing security.

#### Technical Data

1. Double Glaze Double Clear Tempered Glass
2. U Factor = 0.28-0.38 Size depending.
3. Modular swivel-tilt mounting system with concealed hinges
4. Simple and intuitive operation
5. The 3.4mm wall thickness guarantees greater stability and durability of the window and increased protection against noise and temperature changes.

#### Why choose Eloyd Windows and Doors ?

1. Raw aluminum profiles  
Corrosion resistance, good oxidation resistance, higher strength
2. Insulated tempered glass  
3C quality certified automotive grade glass, strong pressure resistance, not easy to explode
3. German hardware
