Application Scenario

01 Mobile pool cover

According to demand, it can be roughly divided into two categories: high and low, including multi arch, herringbone roof, and flat roof series

02 Terrace/Balcony

Want to make use of public areas? Building a mobile sunroom can turn the original corridor into your terrace functional area

03 Courtyard/Garden

How to maximize the effectiveness of this large independent courtyard? Install an intelligent mobile sunroom, giving you more possibilities for outdoor space and life.

Application Scenario

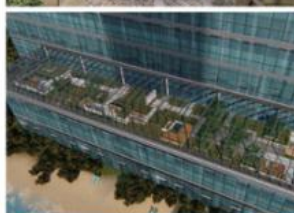

04 Leisure and entertainment

Sunrooms not only improve space utilization, but also provide a multi-functional leisure space to enhance family interaction and enhance family happiness.

05 Outdoor restaurant

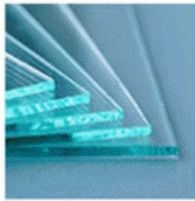

Up to 20 meters long span retractable sunroom, using a fully transparent curtain wall design with transparent space and anti-fog and ice formation, widely used in hotels, leisure clubs, and other areas

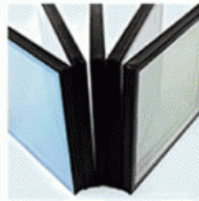

06 Banquet Hall

For large commercial plazas, the outdoor extension of the second space not only has sufficient lighting and can provide shade and waterproofing, but also brings more flexibility and practicality to the use of outdoor space.

FAQ

Q1. What about your packages ?

A1. Inner EPE paper packing, exterior with wooden frame crate box. We have been exporting lots of products overseas, no any clients make any complains on our packages.

Q2. Is there any price difference between powder coating and anodising?

A2. No price difference between them. We recommend you to choose anodised finish if the house is near salt water for long-effective corrosion resistance, but powder coating will be better if the house is far away from salt water.

Q3. What is the delivery time?

A3. Normally 30-35days after received the deposit and confirmed all the details.

Q4. What is Trade Assurance?

A4. Trade Assurance is a free service by Alibaba.com built to create trust in trade. We provide you with a set of features and protections to help ensuring suppliers' honor and important details of your contract. We got alibaba "Trade Assurance " and safeguard the interests of the buyers.
