Soundproof Ultimate Casement Narrow Frame Replacement For Balcony

Ultimate Casement Narrow Frame

The Ultimate Casement Narrow Frame window features a sleek design and square profiles and makes a great fit for new construction or remodeling projects that call for slim lines and maximum views.

1. Extruded aluminum for better airtightness and sound insulation
2. For openings up to 2.5 feet wide and 6.5 feet high
3. Narrow frame for replacement applications, minimizing the removal of existing frames and walls
4. Modern style windows with a sleek design and square shape
5. High floors can add glass guardrails to enjoy natural breezes while ensuring safety

What are the advantages of casement windows?

1. Many modern casement windows are designed with materials that require minimal upkeep.
2. Popular in both residential and commercial settings.
3. Their clean lines and modern look can enhance the overall appearance of a home.
4. Typically operated with a crank, making them easy to open and close, even in hard-to-reach places.
5. Aluminum casement windows are strong, lightweight, and resistant to corrosion, making them suitable for coastal or high-humidity areas.

Technical Data:

1. Double Glaze Double Clear Tempered Glass
2. U Factor = 0.28-0.38 Size depending.
3. Modular swivel-tilt mounting system with concealed hinges
4. Simple and intuitive operation
5. The 3.4mm wall thickness guarantees greater stability and durability of the window and increased protection against noise and temperature changes.

Features:

1. Design: They are often tall and narrow, providing a clear view and maximizing ventilation.
2. Versatile Opening: They can be opened fully to allow maximum ventilation, making them ideal for fresh air circulation.
3. Operation: Casement windows open outward like a door, allowing for better airflow compared to sliding windows.
4. Variety of Styles: Available in various styles, they can match different architectural aesthetics.
5. Security Features: Many casement windows come with multi-point locking systems, enhancing security.
