Our Advantages:

1 / PROVIDE THE PROFESSIONAL DOOR-TO-DOOR SERVICES

Considering that it may be your first time to purchase valuable items in China, our specialized transportation team can take care of everything include customs clearance, documentation, importation, and extra door-to-door services for you, you can just sit at home and wait for your goods to come to your door.

2 / GUARANTEE THE DURABILITY OF PRODUCTS UP TO 25 YEARS WARRANTY

In our opinion, quality means never having to compromise. The high-quality aluminum and components that we use allow us without

compromising structural strength. In other words, even with slim frames, we offer a high performing product for you. Our research and development team made sure that you still get unrivaled thermal insulation, high performance, and top-quality hardware on the 10 YEARS WARRANTY. The glazing ensures that no air leakage and fogging issues on products for 25 YEARS WARRANTY.

We are very happy and look forward to a long-term partnership with you, as with our other partners in US, where our service and strength in window and door expertise can help our partners save more time and money.

3 / PROVIDE FREE DESIGN ASSISTANCE TO OPTIMIZE YOUR PLAN & BUDGET

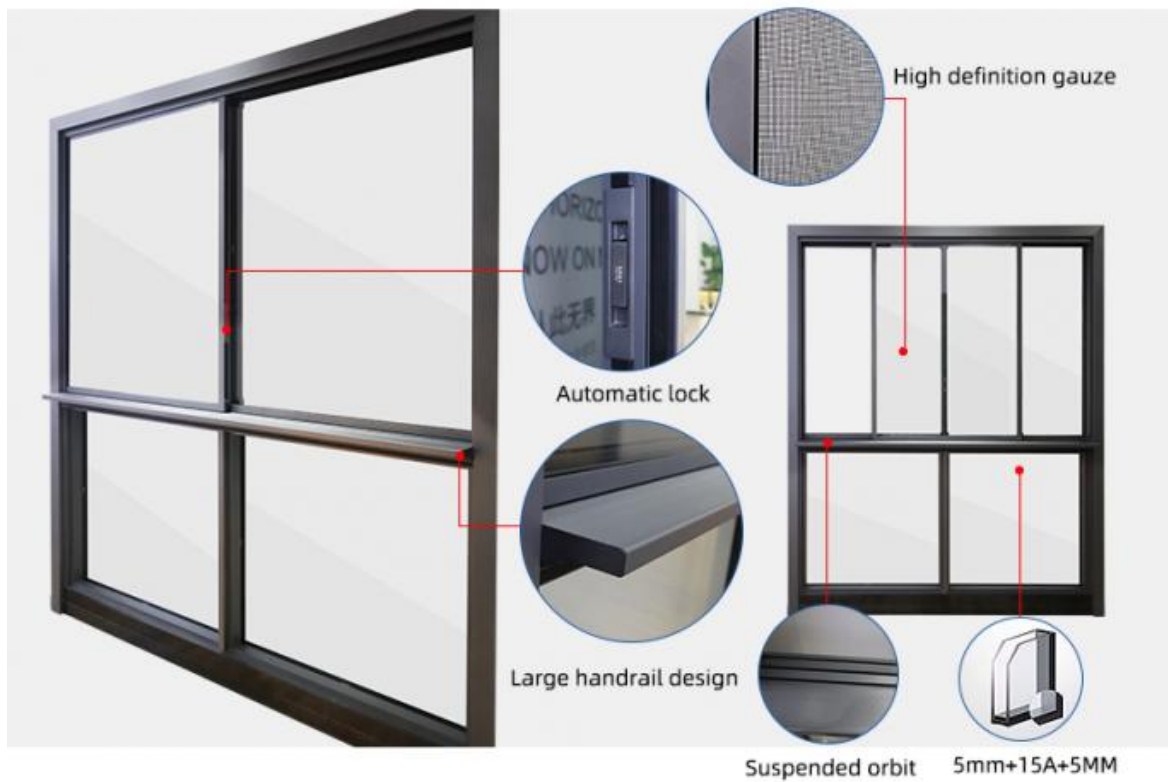

Eloyd has been working for the North American market for a decade, we provided the most professional plan and meaningful design with ideal price to meet all our client's highly customized demands. With our own expertise we provide no-cost design development & contract documentation with CAD & BIM drawings, including elevation & details & installation design. Helping clients to accurately control budgets by analyzing the overall plan, including to provide the schematic design to help determine products within cost parameters. Such as use lower cost products in inconspicuous locations to reduce the overall budget: If the direction is not under long time sunlight, do not use Low-E glass; use PVC windows or aluminum windows instead of solid wood windows in unimportant rooms such as toilets or storage rooms.

Why choose Eloyd Windows and Doors ?

It is our honor that you choose our products. We are the only "Alibaba Elite" merchant in the door and window industry on this platform. Objectively speaking, our product quality and factory strength have been recognized by customers. We are also the most professional company exporting doors and windows from China to the United States. Our expertise will also ensure that the products you buy are the best in terms of comprehensive cost performance from price to quality to after-sales service. Our expertise is reflected in:
