Panoramic Aluminum Energy Efficient Double Glass Multi Panel Door Heavy Duty Multi-Panel Sliding Door

Strong adaptability: Meets the needs of diverse scenarios

Home scene

Kitchen: Isolates cooking fumes while maintaining visual transparency.

Balcony: Windproof and rainproof, creating a dry-wet separated leisure area;

Bedroom/Wardrobe: Frosted glass sliding doors protect privacy, and silent wheels do not disturb sleep.

Bathroom: Waterproof sliding door (such as PVC material) is moisture-proof and mold-proof.

Business scenarios

Office: Movable partitions flexibly divide the meeting area from the open office area.

Cafe/Restaurant: Glass sliding doors separate the dining area from outdoor seating, enhancing space utilization.

Shopping mall stores: Large-sized sliding doors attract customers and close at night to ensure safety.

Special requirements
Barrier-free design: Low-threshold tracks (height $\leq 15\text{mm}$) facilitate wheelchair passage.

Fireproof partition: Made of fire-resistant glass and flame-retardant profiles, it meets fire protection regulations.

Intelligent control: The electric sliding door supports remote control, sensing or mobile phone APP operation, enhancing convenience.

The sliding is smooth and the operation is convenient

Silent slide rail: High-precision stainless steel slide rails and wear-resistant pulleys are adopted to ensure that the door body can be pushed and pulled smoothly and silently, reducing friction loss

Strong load-bearing capacity: The heavy-duty slide rail system can support large-sized glass doors (such as those with a single width exceeding 3 meters), meeting the design requirements of large openings

Barrier-free passage: The sliding opening method does not occupy indoor or outdoor space and is suitable for small-sized apartments or areas that require frequent passage

Why choose Eloyd Windows and Doors ?

1. Raw aluminum profiles

Corrosion resistance, good oxidation resistance, higher strength

2. Insulated tempered glass

3C quality certified automotive grade glass, strong pressure resistance, not easy to explode

3. German RUNAS hardware

Anti-stretching and anti-aging, good sealing and overlapping effect, long-lasting and stable performance

4. PICC China PICC Underwriting

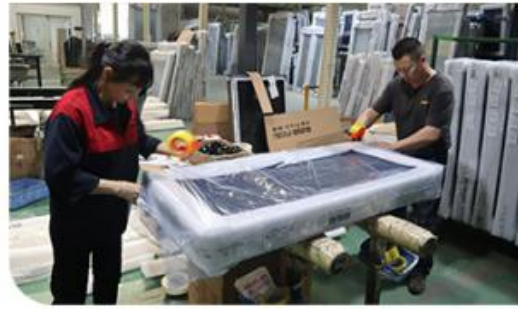

All products of Eloyd doors and windows have passed the inspection by the national quality inspection and supervision department and are insured by China PICC. Buy with confidence and use with confidence.
