Product Description

3 Tracks 3 Panels Factory Direct Sales Customized Telescopic Top Hanging Balcony Patio Thermal Break Aluminium Sliding Doors

Strong adaptability: Meets the needs of diverse scenarios

Home scene

Kitchen: Isolates cooking fumes while maintaining visual transparency.

Balcony: Windproof and rainproof, creating a dry-wet separated leisure area;

Bedroom/Wardrobe: Frosted glass sliding doors protect privacy, and silent wheels do not disturb sleep.

Bathroom: Waterproof sliding door (such as PVC material) is moisture-proof and mold-proof.

Business scenarios

Office: Movable partitions flexibly divide the meeting area from the open office area.

Cafe/Restaurant: Glass sliding doors separate the dining area from outdoor seating, enhancing space utilization.

Shopping mall stores: Large-sized sliding doors attract customers and close at night to ensure safety.

Special requirementsBarrier-free design: Low-threshold tracks (height ≤15mm) facilitate wheelchair passage.

Fireproof partition: Made of fire-resistant glass and flame-retardant profiles, it meets fire protection regulations.

Intelligent control: The electric sliding door supports remote control, sensing or mobile phone APP operation, enhancing convenience.
