Basic Information

- Place of Origin: China
- Brand Name: Loyd
- Certification: CE
- Model Number: 56 serie sliding door
- Minimum Order Quantity: 2
- Price: USD78/
- Packaging Details: EPE Foam wrapped
- Delivery Time: 25-30days
- Payment Terms: L/C,T/T,Western Union,PayPal
- Supply Ability: 10000

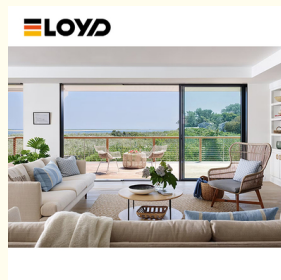

Product Specification

- Opening Direction: Left/Right
- Installation Method: Surface Mount
- Material: 2.2mm/3.0mm Thick Aluminium
- Glass: 5+20A+5mm Double Clear Tempered Glass
- Design: According To Confirmed Drawing
- Drawings: 3D Design Drawings
- PackageMethod: EPE Foam Wrapped
- Hardware: BOGO Hardware
- Stainless Steel: 10 Years
- Highlight: Left Opening Glass Sliding Door ,
Right Opening Glass Sliding Door

Product Description

Minimalist Design Heavy Duty Sliding Door House Exterior Patio Aluminum Door Beautiful Balcony Sliding Glass Doors

Minimalist aesthetics enhance the style of the space

Narrow frame design: Utilizing extremely narrow aluminum frames or invisible frames, it maximizes the proportion of glass, reduces visual obstruction, and naturally integrates indoor and outdoor Spaces, creating a transparent and spacious visual effect.

Modern minimalist style: With simple and smooth lines and no superfluous decoration, it seamlessly blends with various architectural styles (such as modern, industrial, and Nordic), enhancing the overall design sense.

Natural light optimization: The large area of glass design allows sunlight to fully penetrate, reducing the need for artificial lighting while making the interior appear brighter and more spacious.

Heavy-duty structure, combining durability and safety

High-strength materials: Heavy-duty aluminum alloy or tempered glass is selected, which has strong impact resistance and deformation resistance, and can withstand harsh weather conditions (such as strong winds and heavy rain) and frequent use.

Stable frame: Thickened profiles and reinforced structure ensure the stability of the door body, reducing the risk of shaking. It is especially suitable for high-rise buildings or large-span openings.

Safety protection: Equipped with a multi-point lock system, anti-picking design and child safety lock, it enhances anti-theft performance and ensures family safety.

Product Parameters:

| | |
|-------------------|--|
| SERIES | 18 serie sliding door |
| BRAND | Eloyd |
| PROFILE | 6063# T5 aluminum alloy profiles |
| THICKNESS | 2.0mm/ Thick Aluminium |
| GLASS | 5+20A+5mm /8mm Double Clear Tempered Glass |
| HARDWARE | ELOYD Lock |
| SURFACE TREATMENT | Powder Coating, Anodized |
