Product Description

Heavy-Duty Commercial Sliding Door

Product Description:

Built for high-traffic environments, this heavy-duty aluminum sliding door combines commercial-grade strength with smooth, silent operation. It's engineered to perform reliably under continuous use while offering a clean, modern appearance.

Key Features:

Industrial Strength: Reinforced profiles for commercial durability.

Extra Smooth Slide: Large-diameter rollers for seamless glide.

Thermal Break Technology: Energy-saving insulated frame.

Acoustic Sealing: Reduces indoor-outdoor noise transmission.

Safety Locks: Multi-point locking for security in public spaces.

Applications:

Suitable for hotels, shopping centers, restaurants, offices, and showrooms.

Specifications:

Frame Material: High-strength aluminum alloy

Glass: 5+20A+5 double glazing / laminated glass available

Frame Thickness: 2.0mm – 2.2mm

Door Weight: Supports up to 180kg per panel

Color Options: Commercial-grade finishes in RAL color range

Max Width: Up to 6m wide openings (3m per panel)

Installation & Delivery:

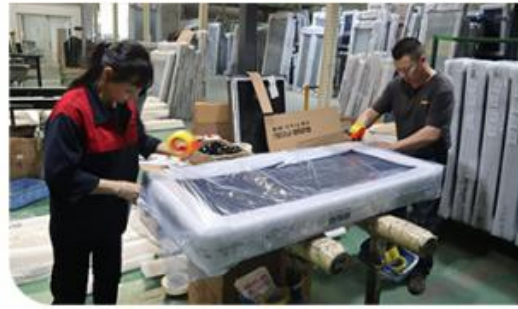

Professional support available for commercial projects. Secure global delivery with detailed manuals.
