

Aluminum Folding Window with Double Tempered Glass

Our Product Introduction

for more products please visit us on aluminiumwindowsdoor.com

Basic Information

- Place of Origin: China
- Brand Name: Eloyd
- Certification: CE
- Model Number: Aluminum Folding Window
- Minimum Order Quantity: 2
- Price: 80USD/
- Packaging Details: EPE Foam wrapped
- Delivery Time: 30days
- Payment Terms: L/C,T/T,Western Union,PayPal
- Supply Ability: 10000

Product Specification

- Material: 1.8mm Thick Aluminium
- Glass: 5+18A+5mm Double Clear Tempered Glass
- Profile Color: Grey / To Select In Color Samples
- Design: According To Confirmed Drawing
- Accessory: PAG Lock & Handle
- Accessory: Fly Net / Fly Curtain / High Downtrack(For Water-proof)
- Package: EPE Foam Wrapped
- Highlight: aluminum folding window with tempered glass, double hung window with aluminum frame, tempered glass folding window for home

Product Description

Extended Product Detail:

Overview

The **Modern Aluminum Folding Window** is designed for homeowners, architects, and designers seeking a contemporary solution that blends indoor and outdoor spaces. With its slim frame profile, precision-engineered folding system, and high-performance glass, this window offers the perfect balance of aesthetics, functionality, and durability.

Key Features

Slim Frame Design for Maximum Views

The narrow aluminum profiles allow for larger glass panels, maximizing natural light and providing unobstructed panoramic views.

Smooth Folding Mechanism

Premium stainless-steel hardware ensures smooth, quiet operation, allowing the panels to fold neatly to the side for full opening.

Thermal Break Technology

Integrated polyamide thermal breaks reduce heat transfer, improving insulation and lowering energy costs.

Weatherproof Performance

Equipped with multi-layer EPDM seals and advanced drainage systems to protect against wind, rain, and dust.

Durability & Low Maintenance

The powder-coated aluminum frame resists corrosion, fading, and warping—ideal for all climates, including coastal regions.

Technical Specifications

Frame Material: High-grade aluminum alloy (6063-T5)

Glazing Options: Double or triple glazing; Low-E glass; laminated or tinted options

Panel Width: 500mm – 900mm per panel

Maximum Height: Up to 3000mm

Thermal Break: Polyamide strips for improved insulation

Hardware: Stainless steel hinges and rollers with anti-corrosion treatment

Colors: RAL color range, anodized finishes, or wood grain effect

Opening Direction: Inward or outward folding

Applications

Residential kitchens opening to patios or gardens

Living rooms with large panoramic openings

Restaurant or café service counters

Poolside entertainment areas

Sunrooms and enclosed verandas

Customization Options

Glass type: Low-E, tempered, laminated, frosted, or decorative glass

Frame finish: Matte, gloss, anodized, or wood grain

Panel configuration: 2 to 8 panels depending on opening width

Additional features: Integrated insect screens, built-in blinds

Installation & Maintenance

Installation: Can be installed flush with the wall for a seamless transition; professional installation recommended for airtight performance.

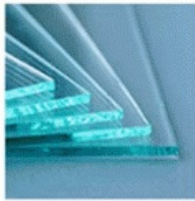

Maintenance: Simply wipe with mild soap and water; lubricate hinges and rollers annually for smooth operation.

Warranty & Support

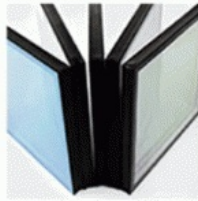

Warranty: 10 years on frame structure; 5 years on hardware; 2 years on seals and glass.

Support: Dedicated after-sales team for troubleshooting, spare parts, and installation guidance

FAQ

Q1. What about your packages ?

A1. Inner EPE paper packing, exterior with wooden frame crate box. We have been exporting lots of products overseas, no any clients make any complains on our packages.

Q2. Is there any price difference between powder coating and anodising?

A2. No price difference between them. We recommend you to choose anodised finish if the house is near salt water for long-effective corrosion resistance, but powder coating will be better if the house is far away from salt water.

Q3. What is the delivery time?

A3. Normally 30-35 days after received the deposit and confirmed all the details.

Q4. What is Trade Assurance?

A4. Trade Assurance is a free service by Alibaba.com built to create trust in trade. We provide you with a set of features and protections to help ensuring suppliers' honor and important details of your contract. We got alibaba "Trade Assurance" and safeguard the interests of the buyers.
