Product Description

Extended Product Detail Page Content:

Our **Double Single Hung Window** brings together **timeless American architecture** and modern thermal performance. The smooth vertical lift mechanism makes opening and closing effortless, while the **upper and lower sashes** allow for flexible ventilation.

The frame is made from **premium aluminum alloy**, offering strength, weather resistance, and minimal upkeep. **Energy-efficient Low-E glass** helps lower cooling and heating costs, while the precision seal design prevents air leakage and reduces outside noise.

Key Features:

Classic American vertical sliding design.

Smooth, quiet lift operation.

Low-E glass for energy efficiency.

Weather-resistant aluminum frame.

Custom colors and sizes available.

Ideal for both **modern and traditional homes**, this window adds beauty, comfort, and performance to any space.

FAQ

Q1. What about your packages ?

A1. Inner EPE paper packing, exterior with wooden frame crate box. We have been exporting lots of products overseas, no any clients make any complains on our packages.

Q2. Is there any price difference between powder coating and anodising?

A2. No price difference between them. We recommend you to choose anodised finish if the house is near salt water for long-effective corrosion resistance, but powder coating will be better if the house is far away from salt water.

Q3. What is the delivery time?

A3. Normally 30-35 days after received the deposit and confirmed all the details.

Q4. What is Trade Assurance?

A4. Trade Assurance is a free service by Alibaba.com built to create trust in trade. We provide you with a set of features and protections to help ensuring suppliers' honor and important details of your contract. We got alibaba "Trade Assurance" and safeguard the interests of the buyers.
