Product Description

Classic Aluminum Casement Window with Powder-Coated Finish

Extended Product Details:

Our classic aluminum casement window is crafted for those who prefer **traditional aesthetics paired with modern engineering**. Built from high-strength aluminum profiles, the frame is treated with a **powder-coated finish** that offers superior corrosion resistance, making it suitable for both urban and coastal applications.

The outward opening design ensures **excellent ventilation**, while precision sealing technology provides outstanding **air tightness, water resistance, and sound insulation**. Designed to perform under harsh weather conditions, it effectively prevents leakage and drafts, ensuring year-round comfort.

Available with **double or triple glazing**, low-E coated glass, and laminated safety glass, this window provides multiple options for energy efficiency, UV protection, and safety. Customers can choose from a wide range of **RAL colors and handle finishes**, allowing full customization to match their home or commercial project's style.

This window combines **classic charm with modern durability**, making it an ideal choice for both residential homeowners and architects seeking reliability and timeless appeal.
