## Product Description

# Classic Aluminum Casement Window with Powder-Coated Finish

### Extended Product Details:

Our classic aluminum casement window delivers **timeless elegance and modern performance**. Crafted from high-quality aluminum profiles, the frame is treated with a **durable powder-coated finish** that resists corrosion, fading, and scratching.

The outward-opening design ensures effective ventilation and natural airflow. Enhanced with **double or triple glazing options**, the window achieves excellent energy performance and acoustic insulation.

For security, it is fitted with a **multi-point lock system and stainless-steel handles**, ensuring long-lasting protection. EPDM weather seals keep interiors dry and comfortable, even during storms.

Customization options include **multiple glass types** (low-E, laminated, tinted), **RAL colors**, and **surface finishes**. Whether applied to **residential villas or commercial developments**, the window adapts to both modern and classic architectural styles.

Its combination of **durability, aesthetics, and easy maintenance** makes it a trusted solution for homeowners and developers worldwide.

**50,000<sup>2</sup>**  
**Production Area**  
Professional enterprise of aluminum, wood clad aluminum
