Product Description

Premium Soundproof Aluminum Casement Window with Acoustic Glass

Extended Product Details:

Designed for **urban environments and high-noise areas**, this soundproof aluminum casement window provides exceptional **acoustic insulation** while maintaining modern style. The specialized **laminated acoustic glass** minimizes sound transmission, creating a calm and quiet interior.

The robust aluminum alloy frame is equipped with a **thermal break system**, ensuring both energy efficiency and structural durability. Combined with **low-E double or triple glazing**, it helps regulate indoor temperatures and reduces reliance on heating and cooling systems.

For enhanced security, the window is equipped with **multi-point locking and heavy-duty stainless-steel hinges**. The weather-sealed EPDM gaskets ensure complete protection from drafts, dust, and rain infiltration.

Available in a wide range of **RAL colors, anodized finishes, and decorative glass options**, it can be tailored to suit both **modern apartments, high-rise offices, and private villas**.

Easy to clean and low-maintenance, this casement window offers a **premium balance of performance, comfort, and design flexibility**.

50,000²
Production Area
Professional enterprise of aluminum, wood clad aluminum and upvc windows and doors.
