Product Description

Ventilated Aluminum Casement Window with Insect Screen Option

Extended Product Details:

This aluminum casement window combines **ventilation, comfort, and practicality**. Its outward-opening design ensures maximum airflow, while the **optional integrated insect screen** keeps interiors fresh and bug-free—an ideal choice for residential homes.

Built with a **reinforced aluminum frame and thermal break system**, the window guarantees both durability and insulation. Low-E double glazing enhances **energy efficiency**, helping to reduce heating and cooling costs.

Security is ensured through **multi-point locking hardware and stainless-steel fittings** making it safe and reliable for family living. The **weatherproof EPDM seals** provide protection from rain, dust, and wind infiltration.

Aesthetically, the slim profile allows for more natural light and unobstructed views. Available in **custom RAL colors, anodized coatings, and decorative glass options**, it fits a variety of design preferences.

Easy to operate and maintain, this window is the **perfect solution for modern homes, offices, and hospitality projects**
