

Thermal Break Aluminum Sliding Window with Double Glazing

Our Product Introduction

for more products please visit us on aluminiumwindowdoor.com

Basic Information

- Place of Origin: China
- Brand Name: Eloyd
- Certification: CE/CSA/AS2047
- Model Number: 110 sliding Window
- Minimum Order Quantity: 2
- Price: USD78/
- Packaging Details: EPE Foam wrapped
- Delivery Time: 25-30days
- Payment Terms: L/C,T/T,Western Union,PayPal
- Supply Ability: 10000

LOYD

Product Specification

- Color: Black
- Glass Type: Tempered
- Material: 2.0mm Aluminium Thickness
- Glass: Glass:5+20A+5mm
- Design: According To Confirmed Drawing
- Accessory: Fly Net / Fly Curtain / High Downtrack(For Water-proof)
- PackageMethod: EPE Foam Wrapped
- Hardware: BOGO
- Stainless Steel: 10 Years
- Highlight: thermal break aluminum sliding window, double glazed sliding window, aluminum sliding window with warranty

Thermal Break Aluminum Sliding Window with Double Glazing

Extended Product Details:

Our thermal break aluminum sliding window is engineered to deliver the perfect balance of energy efficiency, durability, and contemporary design. Constructed with premium-grade aluminum profiles and advanced polyamide thermal break strips, it minimizes heat transfer between indoor and outdoor environments, helping reduce HVAC costs in both residential and commercial applications.

The double-glazed insulated glass units (IGU) provide outstanding thermal insulation and acoustic performance, making them ideal for urban areas with high noise levels. The window incorporates precision stainless-steel rollers for effortless sliding, while EPDM gaskets ensure airtight sealing against wind and rain.

For safety, customers can choose from tempered, laminated, or Low-E safety glass options. Multi-point locking hardware enhances security, meeting international standards for burglary resistance.

Applications: Perfect for living rooms, high-rise apartments, office buildings, and hotels where energy savings and modern aesthetics are essential.

Customization:

Available in single-track or double-track systems, with optional fly screens. Multiple color finishes (powder-coated, anodized, or wood-grain effect) are available, along with glass thicknesses ranging from 5mm to 28mm.

Product Parameters:

SERIES	110 sliding Window
BRAND	Eloyd
PROFILE	6063# T5 aluminum alloy profiles
THICKNESS	2.0mm aluminium thickness
GLASS	Glass:5+20A+5mm Double Clear Tempered Glass
HARDWARE	BOGO Lock & Handle
SURFACE TREATMENT	Powder Coating, Anodized

Panoramic sliding window

Warranty service, More than 5 years

Whole house
customization

High efficiency
sound insulation

Multiple seal

Guaranteed
after sale

CE certification

6063 primary aluminum

High quality PA66GF25

European arc line, optional hypotenuse line design

Imported fluorocarbon paint finish

Frame fan inside and outside flush design

Hollow aluminum strip filled with molecular sieve

5+12A+5 large hollow tempered glass

Openable guard rail design

GB304# stainless steel diamond gauze

Industry high-end system window hardware

Sealing process of duck bill strip

Thermal break isotherm design

Wind pressure resistance: Lv. 9
