

## Slim Frame Aluminum Sliding Window for Panoramic Views

Our Product Introduction

for more products please visit us on [aluminiumwindowdoor.com](http://aluminiumwindowdoor.com)

### Basic Information

- Place of Origin: China
- Brand Name: Lloyd
- Certification: CE/CSA/AS2047
- Model Number: 110 sliding Window
- Minimum Order Quantity: 2
- Price: USD78/
- Packaging Details: EPE Foam wrapped
- Delivery Time: 25-30days
- Payment Terms: L/C,T/T,Western Union,PayPal
- Supply Ability: 10000

**LOYD**

### Product Specification

- Color: Black
- Glass Type: Tempered
- Material: 2.0mm Aluminium Thickness
- Glass: Glass:5+20A+5mm
- Design: According To Confirmed Drawing
- Accessory: Fly Net / Fly Curtain / High Downtrack(For Water-proof)
- PackageMethod: EPE Foam Wrapped
- Hardware: BOGO
- Stainless Steel: 10 Years
- Highlight: slim aluminum sliding window, panoramic view sliding window, aluminum frame sliding window

## Product Description

# Slim Frame Aluminum Sliding Window for Panoramic Views

### Extended Product Details:

The slim frame aluminum sliding window is designed for architects and homeowners seeking expansive views without compromising performance. Its ultra-narrow profiles create a nearly frameless appearance, making it a popular choice for modern residential and commercial projects.

The large-format glass panels allow maximum daylight penetration, reducing the need for artificial lighting. Precision ball-bearing rollers ensure smooth and silent operation, while concealed drainage systems improve waterproofing and prevent water accumulation.

This system is tested against air permeability, wind resistance, and water tightness according to European EN standards. Double- or triple-glazed glass options enhance insulation, while UV-coated Low-E glass protects interiors from fading.

### Applications:

Ideal for luxury villas, beachfront houses, offices, and retail spaces where panoramic views and aesthetics are top priorities.

### Customization:

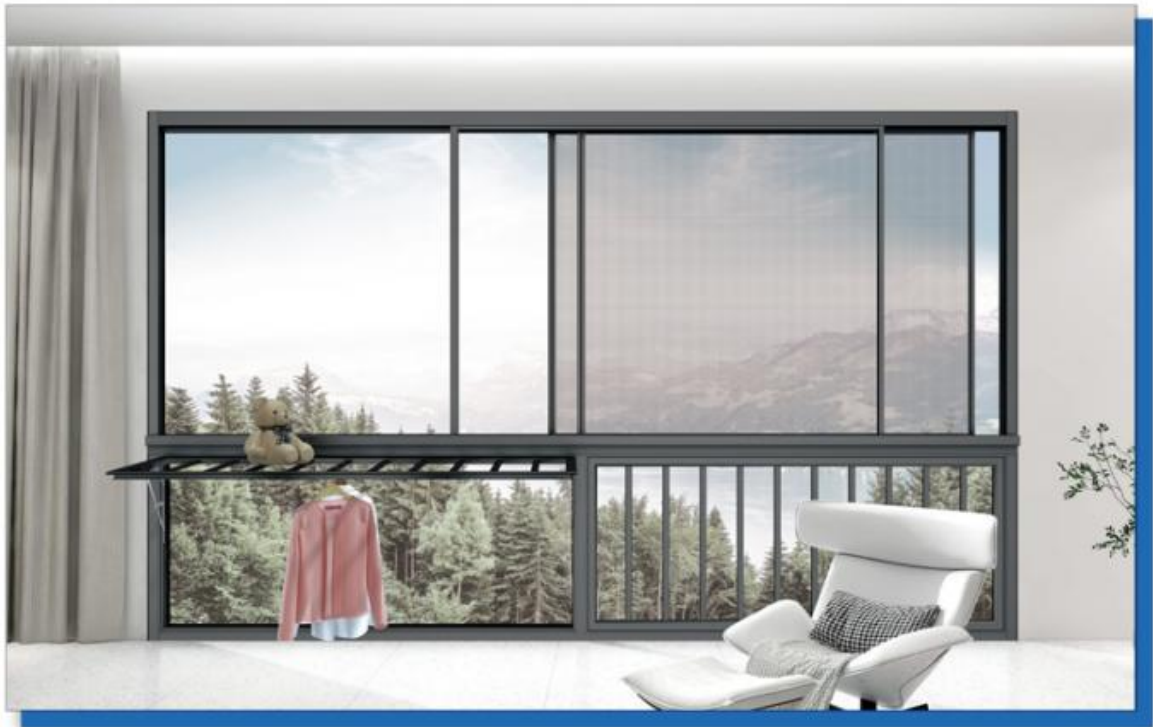

Compatible with integrated blinds or fly screens. Available in RAL color finishes, anodized textures, and custom sizes up to 3 meters in height.

### Product Parameters:

SERIES	110 sliding Window
BRAND	Eloyd
PROFILE	6063# T5 aluminum alloy profiles
THICKNESS	2.0mm aluminium thickness
GLASS	Glass:5+20A+5mm Double Clear Tempered Glass
HARDWARE	BOGO Lock & Handle
SURFACE TREATMENT	Powder Coating, Anodized

# Panoramic sliding window
