Product Description

Ventilated Aluminum Sliding Window with Integrated Louvers

Extended Product Details:

This ventilated aluminum sliding window integrates adjustable louvers into the frame, allowing continuous airflow even when the window is closed.

The louvers are fitted with insect-proof mesh and weather seals, providing both ventilation and protection from rain and insects.

Applications:

Ideal for kitchens, bathrooms, and offices where natural airflow is essential.

Customization:

Louvers available in manual or automated control systems. Multiple frame colors and glass options are offered.
